P.U.D. is for perusal. C.C.F. has sent a copy of C.F's letter along with the connected records and has stated that F.S.Nos.27, 52, 58 to 60, 62 to 70 measuring 266-10-0 of Nukapur village, Ranebennur Tq. which are in-charge of the R.D. were granted for cultivation on Ekasali basis by the R.D. without the knowledge and consent of the Forest Department during the year 1945-46. The R.D. have now proposed to grant these areas permanently. From the C.F's letter, it is noticed that the area is slopy and there is every fear of soil erosion in case the S.Nos. remain under cultivation, that the area is suited for afforestation which will stop soil erosion if cultivation is withdrawn. Hence, C.F. is not in favour of disposing of the areas & on the other hand, he has suggested to consult the LAW Deptt., as to whether the lessees could be evicted from the lands leased by the R.D. without the consultation of this Deptt., and whether the orders issued by the R.D. are binding on this Department

p. 3 c/f

2. In this connection, it is reported that the lessees are in continuous occupation of the lands for the last 15 - 16 years & that the lessees are reported to have brought the areas under cultivation. Hence, it is difficult to evict the lessees at this distance of time and if attempts are made to evict, it will provoke the general public against the Department.

3) It may not be feasible to evicate the occupants from the possession of the area under continuous cultivation since 15 - 16 years. C.C.F proposes afforestation of the area as there is fear of erosion of soil. R.D has proposed to grant the lands permanently to the occupants the view of which has been objected by the C.C.F it may perhaps be examined whether the persons cultivating the area are willing to take up cultivation in suitable areas, if granted in the neighbourhood of the present occupation. Ref:-Your No.B.3.236-GFL/1345/61-62 dated 8-2-1962.

I am submitting herewith the correspondence on the above subject along with letter No.FOP/GFL/240 dated 26-7-1962 of the Divisional Forest Officer, Dharwar, in duplicate for perusal. The Lamanies have already been granted the forest land in charge of Revenue Department by the Revenue Department in the year 1945-46 for cultivation as detailed in this office even No. of 14-8-1961. It is reported by the D.F.O., that there are no suitable areas and the Lamanies who have established cultivation since long in the above Sy.Nos., are not willing to accept other areas in lieu of the present Sy.Nos. In the circumstances, the areas under reference may be granted and the matter regularised.

2/-. On enquiry with the Range Forest Officer, Hirekerur, it is learnt that the parties are not willing to take up cultivation if other areas are granted to them. It is also stated that there are no other suitable areas that can be given to them for cultivation.

3/-. The lamanies who are now cultivating the lands have already settled themselves thereby purchasing the malki land near-about the cultivated area, obtaining loan from the Society for constructing their houses. They cannot therefore, shift from the place they have established themselves. The only alternative left now is to grant the areas in question on permanent basis.

Sir,

Sub:-Grant of Forest S.Nos. 27, 52, 58, 59, 60, 62 to 70 of Nukapur village, ~~Ranebennur~~ Ranebennur Taluk for cultivation.

I enclose herewith a copy of letter No.FOP/GFL/1039/61-62 dated 14-8-1961 from the Conservator of Forests, Belgaum Circle, along with the connected records on the above subject for perusal.

The Forest S.Nos. 27, 52, 58, 59, 60, 62 to 70 measuring 266 Acres 10 Guntas of Nukapur village, Ranebennur Taluk which are incharge of the Revenue Department were granted for cultivation on Eksali basis by the Revenue Department without the knowledge and consent of the Forest Department during the year 1945-46. The Revenue Department have now proposed the grant of these areas permanently. The Conservator of Forests reports that the configuration of the area being slopy, there is every fear of soil erosion in case the survey numbers remain under cultivation, that the grant of land causes the Forest boundary awkward and that the area is best suited for afforestation which will stop soil erosion if cultivation is withdrawn. In the circumstances the Conservator of Forests is not in favour of disposing of the areas and on the other hand he has suggested to consult the Law Department as to whether the lessees could be evicted from the lands leased by the Revenue Department without the consultation of this Department and whether the orders issued by the Revenue Department are binding on this Department. In this connection it is pointed out that the lessees are in continuous occupation of the lands for the last 15 to 16 years and that the lessees are reported to have brought the areas under cultivation. In the circumstance it may not be quite easy to evict the lessees at this distance of time. In one case of Tumkur District (Hutridurga State Forest) the High Court of Mysore have ordered that the applicants who were granted Forest lands by the Revenue Department and who were also issued with the Saguvali Chits should not be evicted and only those applicants who have encroached upon the Forest land may be evicted. In view of this, I feel that the Department's efforts to evict the cultivators at this belated stage may not be justifiable and may perhaps provoke the general public against the Department. However, in view of the objections raised by the Conservator of Forests in the present case for disposal of the area from the Forest point of view, I solicit orders of Government as to the further action to be taken in the matter.

No.FOP/GFL/1039 of 61-62

Office of the
Conservator of Forests
Belgaum Circle.

Belgaum: 14 August, 1961.

To

The Chief Conservator of Forests,
in Mysore, Bangalore.

Sir,

Subject: Grant of Forest S.Nos 27,52,58,59,60,62 to 70 of Nukapur village, Ranebenur Taluka for cultivation.

In enclosing herewith letter No.FOP/GFL/240(58-59) dated 11-7-1961 in duplicate from the Divisional Forest Officer, Dharwar, I have to state as under.

2. S.Nos. 27,52,58,59,60,62,70 of Nukapur village are forest S.Nos in charge of Revenue Department and the total area of these F.S.Nos comes to 4-266- G 10. The Revenue Department has already granted the above S.Nos to the villagers without the knowledge and consent of the Forest Department during the year 1945-46 on Ekseli Basis and the leases are continued by the Revenue Department year to year.

3. The grant of the lands is prejudicial from the Forest point of view. viz.(i) The configuration of the area being slopy, there is every fear of soil erosion in case the S.Nos remain under cultivation.

(ii) Grant of land causes the forest boundary awkward.

(iii) Area is best suited for afforestation which will stop soil erosion if cultivation is withdrawn.

& (iv) Forest area in Dharwar District is only 7 to 8%.

4. The Divisional Forest Officer, Dharwar requested the Assistant Commissioner, Haveri under his No.FOP/GFL/240 of 27-4-1960(P.49- File No.V) to withdraw the cultivation but the Revenue Department has not done so but requests to dispose of the land in favour of the cultivators immediately.

5. This Department was not consulted before the grant of land and I agree with the views expressed by the Divisional Forest Officer in para 6 of this letter referred to above. The S.Nos. are under cultivation since 1945-46. The Assistant Commissioner, Haveri states that, as per Govt. orders, the lessess are eligible to have the lands on permanent basis and requests to intimate him if Government orders for disposel of Forest lands in charge of Revenue Department have been received. Kindly vide letter No. LGLSR/438 dated 20-6-1960 of the Assistant Commissioner, Haveri (Page 69 case No.V) and the Dy. Commeissioner's No.LGLSR-55 71 of 31-10-60(page 71). From this it could be seen that the Dy. Commissioner Dharwar had proposals with the Government regarding disposal of Forest lands in charge of Revenue Department and no further orders thereon are received. The Forest S.Nos in charge of the Revenue Department have been already given out 15-16 years back and what has been stated by the Assistant Commissioner Haveri regarding withdrawal of cultivation is correct; the only alternative left is to consult the Secretary, Law Department as to whether the lessees could be evicted from the lands leased by the Revenue Department without consultation of the

P.T.O.

the Forest Department and such orders issued by the Revenue Department are binding on this Department. As already stated in para 3 above, the grant of land is prejudicial from the Forest point of view.

6. Early orders in this connection may kindly be issued.

7. The papers in 3 files are submitted herewith for favour of perusal.

On enquiry with the Range Forest Officer, Hirekerur it is learnt that the Sy.Nos. have already been brought under cultivation and the lessees are growing food crops like Jawar, Huralf, Tur etc. The configuration of the area is slopy and hence there is fear of soil erosion in case the Sy.Nos. remain under cultivation. By granting the said Sy.Nos. the forest boundary becomes awkward. Kindly vide page No.93 of case No.V. It is further learnt that the area of the Sy.Nos. in question is suitable for afforestation and the further soil erosion of the area, if remained under

(.....2

cultivation, can only be curbed by taking suitable afforestation measures.

4. On consultation with the Tahasildar, Ranebennur it is learnt that the lessees are cultivating the Sy.Nos. since 1945/46. The lessees belong to the Backward Class Community and they have brought the lands under cultivation after heavy manual labour and expenditure. The Sy.Nos. have been granted by the Revenue Department for cultivation on Eksali Basis without the knowledge of this Department. The grazing position of the village is sound and the leases have been renewed for the year 1960/61. The lessees have also fulfilled the conditions of the leases. The Tahasildar, Ranebennur has retained the case No. III which contains Eksali lease Kabulayats and renewal orders as the same is required by him for continuing the leases for the current year. Kindly vide page Nos.73 and 91 of Case No.V.

5. For the reasons reported in para No.3 above, the Tahasildar, Ranebennur, under this office No.FOP/GFL/58-59/60-61 of 27-4-1960, was requested to withdraw the Sy.Nos. from cultivation under intimation to this office. Kindly vide page No.49 of Case No.V. For this the Tahasildar, Ranebennur under his No.LGLSR-1207 of 22-11-1960 has intimated that the lessees cannot be evicted in view of the recent Government orders in which it is ordered that the lessees who are cultivating the lands for the last 5 years should not be evicted and they are eligible to have the lands on permanent basis after disforestment. Kindly vide page Nos.73,81 and 83 of Case No.V.

6. Since the Sy.Nos. in question of Nukapur village, Ranebennur Taluka are forest lands in charge of the Revenue Department, the Revenue Department should have consulted this Department prior to grant of the lands. The Revenue Department has not done so and hence the grants made by it are irregular. In a number of cases it is noticed that the forest lands in charge of the Revenue Department have been granted by the Revenue Department wit out the knowledge of this Department for cultivation. If this type of procedure is continued, the Undersigned fears that the forest area of this District which is far below the minimum requirement will dwindle down still further in the near future creating precarious conditions.

7. Lastly the forest area of Dharwar District is only 7 to 8% as against the minimum requirement of33% as laid down in the National Forest Policy of India. From this, it is clear that the forest area of this District is far below the minimum requirement. The Government have also ordered not to release the forest lands in places where the forest area is less than 10% under their Nos.AFD-24-FGL-59 of 22-10-1959 and AFD-12-FGN-60 of 11-4-61. Hence the said Government orders are operative for the sai whole of Dharwar District as the forest area of this District is only 7 to 8%. Hence the Sy.Nos. in question will be required for the future activities of this Department.

In the circumstances reported above, action as deemed fit, may kindly be taken in the matter under intimation to this office.

(K.M.SUBBAYYA)
Divisional Forest Officer,

Bangalore.

Sir,

Sub:- Grant of F.S. Nos. 27,18,59,60,62 to 70 of Nukapur, Ranebennur Taluka for cultivation.

Ref:- Your letter No. AFD 126 FGL 61 dated 30-1-62.

It is reported that there are no other suitable areas for grant to the Lamanies and that the Lamanies who have established cultivation since long in the above Survey Numbers are also not willing to accept other areas in lieu of the present S. Nos. A copy of letter No. FOP/GFL/1039/62-63 dated 6-8-1962 from the Conservator of Forests, B.C. Belgaum along with its accompaniment is enclosed for perusal. In the circumstances there appears to be no alternative except to disforest the S. Nos. and to grant the same to the present lessees permanently.

CR.

The connected records are returned herewith.

Orders of Government may be communicated early for taking further action.

Yours faithfully,

Chief Conservator of Forests.

Copy forwarded to the Conservator of Forests, B.C. Belgaum for information.
